*As we start a new year let us count our blessings, especially as we leave behind 2020, the so called “year that never happened”. It may not feel like it, but God has blessed us in so many ways, even in material ways. But, most importantly, we can count on His **spiritual blessings**... blessings that are eternal, never to be taken away. What are these spiritual blessings?*

Blessing #1 (vs 4) - He has _____ us to be _____ and _____

Blessing #2 (vs 5) - He _____ us to _____ as sons through Jesus

Blessing #3 (vs 7) - We have _____ through His blood

Blessing #4 (vs 3:4-6) - We are _____ and _____
of the body, and _____ of the promise in Christ Jesus

Blessing #5 (vs 11) - We have _____ an _____

Blessing #6 (vs 13) - We have been _____ with _____

Blessing #7 (vs 14) - We are God’s _____

What are we to do?
